WELCOME

Dear parents and carers,

We have had another busy week at Roscoe starting with our Anti Bullying assembly where we had discussions around what we believe bullying to be and the different forms it can take. Among others Franklin, Florence, Moaz, Esmee and Vincent were able to define bullying as 'The repetitive, intentional hurting of one person or group by another person or group'.

Councillor Richard Kerr

SCHOOL COUNCIL

On Wednesday, four members from our school council from years 5 and 6, attended the first Schools Parliament session of the year at LACE in Sefton Park. The focus of the first session was around Children's Right's. **Here's what Ikias and Sienna told us about the event:** "We learned about the rights of the child such as every child has the right to be respected and every child has the right to speak their opinion. We completed a quiz about whether play has an impact on learning and progress."

We have noticed in some year groups across school, increasing numbers of children are bringing in items from home including, loom bands, toys, stationery, lip glosses and perfume. Please can we ask that you remind children to leave these items at home. They can cause distractions in class and can also cause issues if children attempt to take these items on to the yard.

THE ROSCOE WAY

Mrs Blackwell spotted year 1 and 2 children showing **respect** to Chef John by using their manners and, then after lunch, thanking him for their food.
