NEWSLETTER 25.10.24

WELCOME

Dear parent/carers,

We have had our huge delivery of books from Knowsley book service so we are now able to update books in the classroom to support curriculum learning. Year 5 and Year 6 were overjoyed to receive their own copy of their reading for pleasure books: 'The House with Chicken Legs' by Sophie Anderson by and 'The Nowhere Emporium' by Ross MacKenzie.

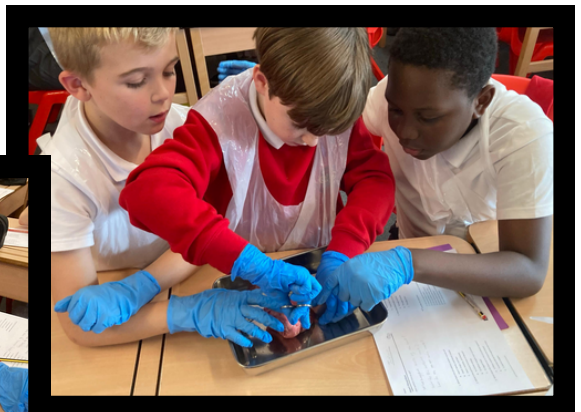

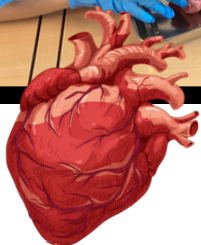

Our Room on the Broom stay and play session was fantastic and a huge thank you to all of the parents/carers that were able to attend and take part in the wonderful activities our EYFS teachers planned.

Thank you to Roscoe PTA who organised a super Monster Mash disco for our children on Wednesday and a good time was had by all.

Thank you for all of your kind donations for our Zoe's place fundraiser on Friday. We will update you with the amount raised after half term.

Year 6, have been learning all about the heart through their science unit of work, The Circulatory System.

Children worked with staff from Northern Schools' Trust to dissect a lamb's heart. Children cut into the heart and were able to identify the chambers of the heart. This was an amazing opportunity to apply their learning to a real-life context. Safiye and Vincent were able to tell me about the dissection and how they thought it may smell, but they were surprised it didn't!
