Half Term

Dear Parents/Carers,

On **Thursday 6th March**, it is our favourite day of the year: World Book Day! This year we would like to invite children to dress up as their favourite book character. We are also encouraging children to come into school with their favourite book.

Children will take part in lots of activities during the school day and of course our famous Roscoe World Book Day Catwalk! In addition, we will be hosting a '**Roscoe Book Swap**'. We are asking for each child to choose a book that they have read and loved and swap it for a new book from another child! Please help your child to wrap their book in paper (any type of paper to disguise the look of the book – even Christmas paper!). They should then attach a note or tag with clues about the book e.g. *This book is perfect for someone who likes mystery stories!*

Every child will come home with a new World Book Day book and a Roscoe Book Swap book.

Please make sure your book is suitable for your child's year group as they will be swapped within their class.

If you are having a clear out and would like to donate more than one book then that will be welcomed. Please bring your books to school on **Monday 3rd March** so that we can make sure we have enough books for each child.

We are also asking children to get creative at home by taking part in our 'story in a shoebox' competition. Children are to use an empty shoebox and design it as a scene from their favourite story. Children who wish to take part are to bring their completed shoeboxes into school on **Thursday 6th March** where they will be displayed in the school hall and a winner from each keystage will be chosen. The winner will receive a £5 voucher to spend in our upcoming book fair which is returning to school on **Monday 24th March**.

Thank you for your on-going support,
